*Note:* For jhānas based on appreciative joy and compassion, you will find the additional factor of joy and compassion.

- 1 Initial and sustained applications of mind have been removed.
- 2 Rapture has been further removed.
- 3 Rapture does not arise with fourth or immaterial jhānas therefore there are only thirty-three factors that precede the impulsion consciousness.
- 4 Equanimity replaces happiness as the feeling tone.
- 5 Factors remain similar to fourth jhāna.
